3. **Membership** – Charles Lacy and Arleen Kasmire reported that 60 renewals resulting from the reminder letters have been received. General discussion was held regarding the still troubling problem of getting information regarding UCDRA to new and past retirees. There are still complaints of retirees not getting information regarding the Association.

4. **Bylaws:** No report.

5. **Newsletter** – Corinne Cooke and Bob Bynum indicated the newsletter deadline for the January issue will be 12/27/02.

6. **Program** – Barbara Nichols stated that Fred Murphy will be contacted to invite him to speak of Bioterrorism at the February 3 meeting. Dennis Shimek will be invited to present the Past President Plaque. Discussion was held regarding the recent Mondavi Event. It is considered a success and it was suggested that other such events be sought for the Association. The Board thanked Barbara for her efforts put into the success of this event.

7. **Nominatiing** – Anne Gray: No activity to report.

8. **Benefits** – Anne Gray and Gil Apaka reported the Benefits Faire has been a good success this year. The Board discussed the event and agreed that the joint holding of the insurance information for Retirees and the Health Faire for actives was a good way to get information and the additional activities available to UCDRA members. It was suggested that a letter to OP and Liz Hansen be sent to express our appreciation and hope that the same organization will occur in the future.

D. **New Business:** no new business.
E. Old Business – The establishment of a UCD Retirement Center for UCDRA and Emeriti members was discussed. Deanna Falge Pritchard reported that a final draft of the proposal has been submitted to the administration and that meetings with appropriate administrative officers will be scheduled for after the new year. Discussion was held regarding the purchase of the 4,500 sq ft of the new hotel convention center. It is proposed that UCDRA, Emeriti and the University Club make this purchase raising the money from membership and other outside contributions. Deanna and Charles Hess are the Associations contact people in this effort.

The meeting was adjourned at 3:00 PM.

Respectfully submitted by Arleen Kasmire, Secretary
