#### **1. Announcements**

Bob Halferty introduced Jennifer Totman, Volunteer Coordinator of the Junior Olympics. The six-day event, scheduled for June 28-July 3, is a first for UCD. Totman talked about the games, the history of the Junior Olympics, and what the Board can do to help. She noted that, with the exception of golf at Wildhorse, all volunteer assignments will be on campus. She encouraged everyone to sign up and pass along the word that volunteers are needed. Anne Gray updated the Board on recent discussions between her and Provost Hinshaw on UC e-mail accounts for retirees allowing remote access to library journals and data bases. The Provost assured Gray that the matter is being looked into at higher levels, but questioned the degree of priority this issue is to retirees. Perhaps, surveying them would answer the question.

B. Halferty reported that two tours of the new School of Veterinary Medicine Instructional Facility were conducted with another scheduled for this Wednesday.

Halferty talked with Arleen Kasmire who is doing well after her knee replacement surgery. She conveyed her thanks for the many cards and calls she has received.
