

UCDRA Nominations Committee

Annual Report: July 1, 2011 – June 30, 2012

Committee Charge:

The UCDRA Nominations Committee is charged with advocating the value of volunteer service for the purpose of identifying retirees willing to serve on the Executive Board of the Association. The Committee is chaired by the Board's First Vice President and generally consists of at least two other regular members of the Association.

The Committee communicates with regular members to seek potential candidates to serve either one or two year terms of office in compliance with the organizational by-laws. Terms of service begin each year on July 1st and end the following year on June 30th. Potential Association Officers, Chairs and Members at Large must be identified and brought to the Executive Board as a list of candidates for review. The Executive Board discusses the candidates and approves those members that will be placed on the official slate of candidates. This slate of candidates is presented to the general membership for election and final determination. Newly elected officers assume their duties on the first day of the fiscal year following the election.

Committee Members:

For the 2011 – 2012 fiscal year, the Nominations Committee consisted of Gloria Alvarado as Chair. As prior committee members were no longer participants in this process, consultations with new and prior members of the Board were utilized, along with publicity, seeking new Board applicants.
